Debt Requires Ongoing Review

Debt is not a set and forget exercise, especially in changing market conditions. Cashel House works with clients to review debt arrangements to optimise the features, flexibility, term and pricing of your loan.

Outcome Focused

Cashel House differs from a banking institution in that we are driven to deliver an outcome for clients, not to sell products. We have decades of experience within some of the very institutions who may be lending to you. Cashel House works with clients in the context of their total wealth protection and generation goals to arrange, structure and negotiate debt from multiple sources.

Selecting the Right Product

Cashel House works with clients to finance various requirements, using different products (such as):

Why Cashel House?

Cashel House is a privately owned multi-family office providing financial advice and credit assistance with no

bank alignment. We are uniquely positioned to work for your best interest.

Structuring the Right Outcome

Interest rates are only one element of what the right debt package may include. Cashel House works with clients to structure debt facilities to consider recourse to the borrower, tax treatment, flexibility and repayment options. Combining this with our family office offering, enables Cashel House to provide a holistic approach to wealth protection and generation.

Domestic Banking Alternatives

Cashel House can source debt products from over 40 domestic providers. This includes (but not limited to):
